Revillusion® | 230V/50Hz | 1500 Watt

3 installation options 3 sizes, 1-, 2- or 3-sided decorative fireplace

Vivente 75

Vivente 100

Vivente 150

The latest of Dimplex's electric fires with Revillusion® technology can be experienced in the luxurious and all new Vivente models. First of all by its renewed and improved flame effect over realistically glowing logs. Also, there is a choice of ambient light colours to suit your style, plus no less than 4 different back panels to match with most interiors. Smart operation and heating features make it more easy than ever to enjoy the best of this fireplace at any moment of the day or year. All of which can be controlled over a premium remote control. Available in 3 sizes, in front-, 2- or 3 sided layout.

- Includes 4 back panels: ribbed (slats), tiles, stone and solid black
- SmartSense: detects when the room is occupied
- ComfortSaver: With up to an 11% energy saving over
- With anti-reflective glass and real flame crackling sounds

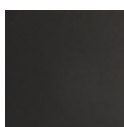

Flame colours

Backpanel options:

Stone

Black

Ribbed

Tiled

Viewing configurations

3 installation options. Can be built in as a 1, 2 or 3-sided fireplace

Flame Effect

Fully adjustable fire image with high-contrast flames for a surprisingly deep and lifelike effect.

All-season flames

Enjoy the unique charm of a fireplace 365 days a year using the flames without the heat.

LED Lighting

Flames and lamps use energy-efficient LEDs that require no maintenance and can burn separately.

Flame Accent Colours

8 built-in mood lighting themes, with the option to fully customize your own theme in the app

Colour-changing flame

Colour alternating flame effects.

Heating

Powerful fan-assisted heating by safe element that provides additional heating on demand.

App

Flame Connect app available for smartphone

Back panel

Back wall options to match your decor

Cool-touch Glass

Glass stays cool for a safe environment for children and pets.

Crackling sound effect

Sound effect of crackling wood fire.

SmartSense technology

SmartSense technology to detect movement in the room

Timer

7 Day Programmable Timer.

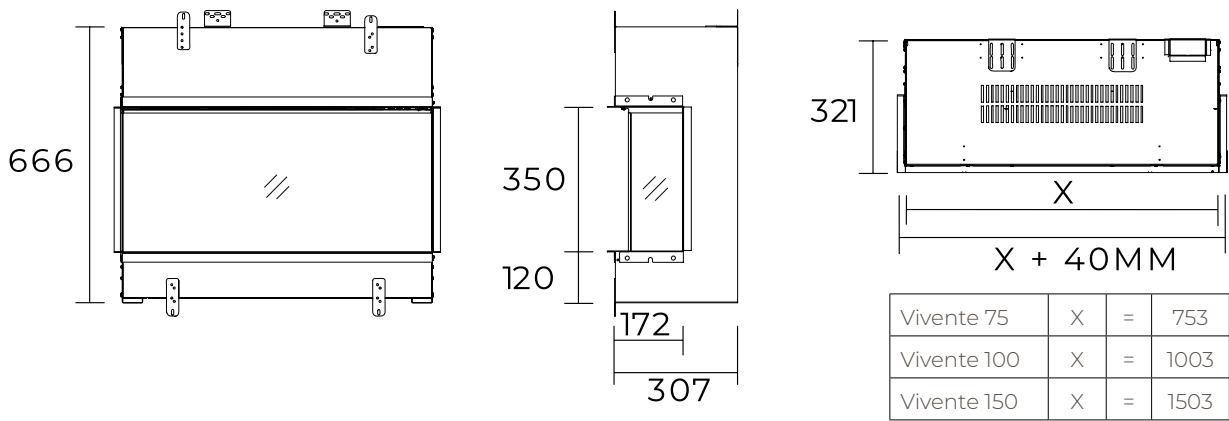

Installation

Very suitable for installation.
