

This is to certify that the appliances listed have been examined and found to comply with the essential requirements listed in Annex I of Council Directive of 30 November 2009 on the approximation of the laws of the Member States relating to appliances burning gaseous fuels 2009/142/EC (ex-90/396/EEC).

In order to demonstrate full compliance with the Gas Appliance Directive 2009/142/EC (ex-90/396/EEC), an EC Surveillance Certificate (EC Declaration of Conformity to Type) is required.

Applicant: Peisselskabet AS

This certificate only relates to those products detailed in the following Test Report Number(s):

Report No: 101231959LHD-002

This document supersedes all previous Certification for the noted Test Report Number(s).

Intertek Certificate

The issued document and statement(s) herein makes reference only to a presumption of conformity in accordance with Directive 2009/142EC. However, it is the manufacturers sole responsibility to affix the CE logo and, by doing so, confirms full compliance and conformity to all other European mandatory directives and regulations that may also apply"

Certificate is for the exclusive use of Intertek's client and is provided pursuant to the agreement between Intertek and its Client. Intertek's responsibility and liability are limited to the terms and conditions of the agreement. Intertek assumes no liability to any party, other than to the Client in accordance with the agreement, for any loss, expense or damage occasioned by the use of this Certificate. Only the Client is authorized to permit copying or distribution of this Certificate. Any use of the Intertek name or one of its marks for the sale or advertisement of the tested material, product or service must first be approved in writing by Intertek.

The manufacturer must inform Intertek Testing and Certification Limited if any mechanical or material changes made to the products covered by this certificate, as unauthorised modifications would invalidate this certificate.
